CAPABILITY STATEMENT

PRODUCTS

We are an authorized distributor of Pelican Products, Inc., offering a wide variety of custom cases and foam options, engineered to protect delicate equipment. Our executives have over 40 years' experience in packaging, providing them the ability to create the best designs and most economical solutions.

- ✓ Hundreds of case sizes available
- ✓ Multiple foam types and densities
- ✓ Less than 24-hour response times
- ✓ Millions (\$\$) saved due to protection of assets

We support commercial, local, state, and federal contracts.

SERVICES

- ✓ Product Development – Prototyping and test fitting services
- ✓ Engineering – drawing creation and part measurement
- ✓ Contracting – DFARS compliance and program support
- ✓ Cyber Security – Controlled Unclassified documents and ITAR

CORE COMPETENCIES

- Rotationally molded cases
